

# UEN-TV Monthly Highlights - July 2020

## These United States

### Inventing America: Making a Nation

Wednesdays, at 9 p.m.

This three-part series brings history to life as a TV talk show. Filmed before a live audience, figures such as Thomas Jefferson, Benjamin Franklin, John Adams and John Dickinson discuss the founding of the U.S.

### Divided We Fall: Unity Without Tragedy

Thursday, July 2 at 9 p.m.

Ordinary citizens break out of partisan echo chambers and wrestle with the complex issues that divide our nation. As the participants listen to one another, they explore what it means to be an American, what constitutes a "more perfect union" and what can be done to bridge gaps between different points of view.

### Fake: Searching for Truth in the Age of Misinformation

Thursday, July 16 at 9 p.m.

This program presents tools for identifying fake news and evaluating the biases of legitimate news sources. It draws on common sense, expert opinions and the universal standards of journalism to teach the media literacy skills needed to dissect breaking news, evaluate partisan content and apply critical thinking before adopting radical stances.

## Summer Learning

### Roadtrip Nation: Making It Balance

Thursday, July 2 at 8 p.m.

Venture into the world of accounting and auditing to explore a profession that defies stereotypes. This hour-long special follows three young adults with a passion for numbers and problem-solving as they travel the country exploring careers.

### CAMP TV

Weekdays 12-1 p.m. (beginning July 20)

A new broadcast series for kids grades K-5 blends hands-on learning and fun for an at-home day camp experience. Featuring interactive segments from some of the nation's most interesting places.

### Roads to Recovery: Overdose and Brain Injury

Friday, July 24 at 8 p.m.

Look through a scientific lens at the relationship between drug overdoses, the brain injuries they cause and the additional challenges to addiction recovery that result from cognitive impairment. Researchers, doctors, family of those who survive and policymakers discuss problems associated with overdose and look to solutions.

## Americans with Disabilities Act

### 4 Wheel Bob

Saturday, July 25 at 8 p.m.

Follow Bob Coomber as he sets out to become the first wheelchair hiker to cross the 11,845 foot Kearsarge Pass in California's Sierra Nevada. His inspiring story encourages viewers to question their own self-imposed limitations and redefine what's possible.

### Hearts of Glass

Saturday, July 25 at 9 p.m.

Cutting-edge technology meets employment for people with disabilities in the story of Vertical Harvest. Discover how the farm overcame Jackson Hole's short four-month growing season and extreme seasonal fluctuations in weather and population to provide the mountain town with fresh vegetables year-round and competitive wages for adults with intellectual and developmental disabilities.

### Live Art: Family

Sunday, July 26 at 8 p.m.

In an unforgettable night of music, dance and visual art, 200 students of all abilities perform with nationally renowned artists and musicians.
